You are invited to the Annual Meeting & Celebration

Thursday, May 11
Moorish Room at Greysolon
221 E. Superior St.
5:30 pm Social and Auction
Social Hour will include hors d'oeuvres and cash bar.
6:30 pm Annual Meeting
7:00 pm Program

Program: LWV Duluth Panel Debate
"Should the U.S. keep the Electoral College Vote
or use the Popular Vote?"
The 2016 election raised the questions, Is the Electoral College fair?
Is it still needed? Guests will be asked to vote for Electoral or Popular Vote prior to the panel and then again after the panel discussion.

The Panel

**Electoral College Vote:**
Cynthia Rugeley, Associate Professor of Political Science, UMD
Geoff Sheagley, Associate Professor of Political Science, UMD

**Popular College Vote:**
Joel Sipress, Professor of History, UWS
TBD

Moderator: Lisa Johnson, KUMD

Payment of $25.00 must be made in advance
Reservation deadline is Monday, May 8th

The silent auction has become one of our major fund (and FUN) raisers. We need the help of our members and friends again this year. See page 3.

Eighth Annual LWV Duluth Plant and Book Sale
Saturday, June 10
Mt. Royal Parking lot
9:00 am - 2:00 pm

Our sale will be held this year on Saturday, June 10 at the Mt. Royal Parking lot. This sale has been a huge success each year thanks to the many members who have donated plants and books and volunteered their time at the sale. We are looking for donations and volunteers again this year.

Please see page 3 for more information about the sale.

Our Mission
The League of Women Voters, a nonpartisan political organization, encourages the informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

Officers
President Maria Isley
President Elect Chelsea Helmer
Secretary Warren High
Treasurer Nancy Palmer
Editor Julie Seidelmann
Dear Friends,

I am so excited for the LWV Duluth’s **May 11th Annual Meeting**. This annual event will be a little bit of business mixed with a lot of celebration. It is such a fun and interesting way to unite us all together. There will be a silent auction that always offers a wide variety of wonderful items and a social with hor d'oeuvres and delightful conversations.

This year’s topic will be interesting as we explore the electoral vote vs the popular vote. Don’t tell anyone, but we are borrowing the format from a certain radio station, where people will be asked to vote if you think ‘The U.S. should keep the Electoral College Vote or use the Popular Vote?’ We will then have a panel discussion of local experts discussing if the Electoral College fair? Is it still needed? What implications would use the popular vote? After this discussion, we will ask people to vote once again. Will there be any change? I am hoping that you will find this to be an interesting way to have a discussion about voting, the cornerstone to this country’s democracy.

So why do we gather every year?

Because for 98 years, The League of Women Voters has been a grassroots organization to keep democracy alive! LWV Duluth is one of the largest local leagues in the state of Minnesota, and continues to grow. LWV Duluth was one of the first Leagues to form and has been active since 1920!

And we continue to be active, still working and engaging citizens on issues such as *natural resources, transparency in government, sex trafficking, public education, healthcare, and cross cultural* that affect our communities.

And at the heart of this organization is voter rights. Rights that still today need protecting.

We are, and always will be, an organization looking for new energy. Membership is open to everyone belonging to any party. We truly take a non-partisan stance on all of our issues. It is the membership that drives this organization. The commitment, energy, and enthusiasm of this membership is what makes this organization a vital part and need for this community.

“**Organize, agitate, educate, must be our war cry.”**

~Susan B. Anthony

I sign off this month for the last time as the LWV Duluth board president. It has truly been an honor to serve in this role for this organization. I know that I will be a life-long supporter of the League of Women Voters and hope that you will continue to be also.

Thank you for your support. See you on May 11th!

Sincerely,

Maria Isley
LWV Duluth President

LWV Duluth Annual Meeting
Silent Auction

The LWV Duluth Annual Meeting is on May 11! Every year we have a wonderful silent auction at the event. This auction has become one of our major fund (and FUN) raisers. We need the help of our members and friends again this year. Last year we raised over $2000!!

Please consider contributing to the auction this year with a donation. Some possible items: homemade canned goods or baked goods, handmade items, works of art, gift certificates from your favorite local businesses. Another idea: get together with a friend or friends and create a “basket” of items, such as, a bath basket, kitchen basket, grandma’s basket. Use your imagination!

When you have decided what you are donating, please call or email Rosemary Guttormsson at 390-8426 or rosevrita@mac.com. Email should include a description of the item and the retail value. She would like to know about the donations by May 7. You can also fill out a donation form online at www.lwvduluth.org.

This year we will also arrange for pick up or drop off of some of the items, so we have those items on hand before the auction. (Except for things like fresh baked goods, those might get “lost” after delivery to Rosemary’s home!)

Submitted by Rosemary Guttormsson

Eighth Annual Plant and Book Sale

Our eighth annual plant and book sale will be held this year on Saturday, June 10 at the Mt. Royal Parking lot on St. Marie St. between Woodland and Wallace Avenues.

This sale has been a huge success each year thanks to the many members who have donated plants and books. Once again we are looking for good quality hard cover and paperback books---nonfiction, fiction of all kinds including best sellers, mysteries, science fiction, suspense, and children's books. No magazines and outdated nonfiction. If you are a gardener, please consider dividing your perennials and donating them to our sale. And, as you begin to think about Spring cleaning, be sure to set some books aside as well.

If you plan to donate plants and books, please email Gail at gail4duluth@gmail.com or call 310-8678 for specific details on when to drop off your donations.

If you can help the day of the sale for an hour or two between 8:00 AM - 3:00 PM, call or email Gail to sign up for a shift.

One last request, if you have a table we could use for the day, contact Gail.

The plant and book sale is one of the major ways LWV Duluth raises money to fund its programs and projects, so your help is extremely important and very much appreciated.

Thank you to all who can help to make this fundraiser a big success!

Submitted by Gail Schoenfelder
Why I am a Member by Zandy Zwiebel

Back 30 some years ago, I was an idealist college student who believed that approaching things with high energy and dogged commitment to ideals would rally change. It was here that I was first exposed to LWV. I was working for a student advocacy group (MPIRG). Although I was exposed to, and lobbied with LWV and its members since the mid-1980s, it wasn’t until 10 years later that I joined.

Being a member of LWV has presented me with some amazing experiences and opportunities to learn from the best mentors. Joining as a new mom in my 40’s, LWV Duluth gave this newly retired regional office director a place to feel valued and to be surrounded by motivated women with the ability to reason through conflict in a professional manner. BEST OF ALL, these members have become my endearing friends, and they make me laugh.

Through all my experiences with LWV, I have been surrounded by amazing women and men, full of passion and commitment. Twelve years of positive League experiences have kept me connected to people and events in my community and actively engaged. I couldn’t imagine NOT being a member of LWV. As I note the growing numbers of new members, I am NOT surprised to see the familiar faces of women I have worked with over the years. After all, “These are women of action and of doing, and it only follows they would find their way into League.”

LWV Members Participate in Civil Rights Tour

LWV members Gay Trachsel and Gail Schoenfelder were part of a 10 day bus tour to seven Southern cities that played an instrumental role in the African American Civil Rights Movement. Sponsored by UMD, the trip participants included students, faculty and community members who were immersed in a history of sit-ins, marches, boycotts, and voter drives that characterized the struggle in the fifties and sixties to achieve civil rights and equality in employment, education, voting rights, transportation and housing. Gay and Gail will share highlights of what they learned in light of today's challenges to continue this struggle for equality. Join us on May 20 at 10:00, Building for Women, lower level. Hosted by the Cross Cultural Committee.

For more information contact Wendy Champness at champnes@msu.edu.

New Citizen Naturalization Ceremony

Thirteen new citizens registered to vote at Duluth's Naturalization Ceremony at the Federal Courthouse on April 14. Their countries of origin included Canada, Norway, Poland, Nigeria, China, Sri Lanka, Brazil, Azerbaijan and the United Kingdom.

A reception followed the ceremony to welcome and celebrate this joyous event with families and friends.

Humphrey Fellows

Seventeen Fellows from the Hubert H. Humphrey International Fellowship Program—who come from developing countries to study at the University of Minnesota for ten months—plus two Thunder Bay representatives from their Multi-Cultural Association and Sister Cities' Committee, visited with Duluth's social and human service agencies, law enforcement, and City officials on April 12, 13. The visit provided open discussions on current issues in the areas of Human Rights and the Immigration and Refugee Experience, plus Gender Equality. Three Fellows also presented at an Alworth Institute public forum. This is an annual event sponsored by LWV Duluth.

Submitted by Liz Taylor

Notes from the Cross Cultural Committee

Co-chairs: Annie Kennedy, Janet Kennedy, Wendy Champness

NAME TWEAK At our Feb 18th meeting, members present decided to change our name to “LWV Cross Cultural Committee- Dedicated to Including All Voices.”

CIVIL RIGHTS TOUR Gail Schoenfelder and Gay Trachsel took a UMD-sponsored bus tour of several Southern states where notable Civil Rights Activities took place. We invite LWV members and guests to join us for a presentation about their trip on May 20 at 10am in Building For Women, 32 E. 1st street. See more about their presentation elsewhere in this issue. If you plan to attend, RSVPs would be very helpful (by May 19), to Wendy at champness@msu.edu.

“HEALTH IN ALL POLICIES” INITIATIVE Janet has worked with this group, along with community partners, Generations, Zeitgeist, CHUM, NAACP and CCAD. They are working to integrate health and equity considerations into policy decisions across local and county governments. The coalition, funded by a grant from Blue Cross/Blue Shield, is proposing that all policies have a beneficial impact on health and health equity. Public meetings have been held, with 600 surveys returned to the city planners to improve the number of underrepresented communities into the Imagine Duluth 2035 Comprehensive Plan update.

A stark illustration of the need for health and equity considerations is the fact that City of Duluth residents in zip codes that are only 5 miles apart have an 11 year difference between the highest average life expectancy and the lowest!

RESTORE THE VOTE INITIATIVE “Restore the Vote Minnesota” is a coalition of groups advocating changes to state law that would allow people who have been incarcerated for a felony, but are now living in the community, to vote. Minnesota requires that a person have completed prison-time, parole, probation, and any other components of a sentence including supervised release; the commonly-used terminology for this status is “to be off paper.” In contrast, some states don't remove the right to vote for persons with felony convictions. In other states, they lose the right to vote for life. Amazingly, there are a few states that require a personal appeal to the governor for voting rights restoration!

The League of Women Voters Minnesota is part of the coalition. Postcards that can be sent to State legislators are available from “Restore the Vote.” We will make some changes for own postcard.

VOTER REGISTRATION We will collaborate with the Voter Services Committee to bring Voter Registration Events and Voter Registration Training to all corners of Duluth. Last year our collaboration with Voter Services was very successful.

Submitted by Wendy Champness
The Planning Commission advises the City Council on issues related to rezoning, issuance of special use permits and community development policies. This would be an interesting opportunity for an observer!

**Community Development Commission:**
As per a previous request from the committee, Adam Fulton of the City of Duluth presented three options for the committee to consider regarding local housing projects. The committee conducted extensive discussion on the following: Whether to fund single vs. multi family projects; Whether there were other sources of money for each project; The size of each project and how many people would benefit; Whether the housing funding should try to benefit low income recipients more so than moderate income recipients; What neighborhoods should be targeted and why; What specific improvements the funding would go towards; How recipients would go about obtaining financing for each project; Renting vs. owning; The impact various tax credits can have on types of housing in terms of long-term affordability; Homeless projects; and, Whether to provide funding for start up businesses (targeting businesses owned by low to moderate income peoples). There was also discussion about the impact federal regulations and funding could have on local housing needs.

Submitted by Stephanie Balmer

**Duluth City Council:**
The Duluth News Tribune detailed the increase in opioid and heroin use in the City of Duluth. An increase in demand has brought an increase in dealers. Chief Tusken also presented steps the Police Department is taking to combat this problem. The D.A.R.E. program will now be reinstated for 5th graders in the Duluth Schools and will be known as Keeping It Real. The program will require more interaction, journaling, and hands-on activities. The Drug Task Force added an investigator, a full ATF agent, an analyst, and a DA relationship. He emphasized the importance of the "eyes and ears" of the community. A resolution granting approval and implementation of the cross city trail mini master plan was passed unanimously. Three speakers spoke in support and praised the dedicated work of community members and their input. It may take time, but it will be completed. Uber and Lyft will be in Duluth. Six speakers (cab drivers) spoke to protest this resolution. The Council cited the work of Councilor Hobbs, in assuring that Uber and Lyft will comply with the same regulations set forth for Cab Companies. Councilor H. Hanson noted that competition is good. Councilor Fosle cast the only no vote. A $3,500 annual rental fee for transportation network companies will be established. A resolution granting an interim use permit for a vacation dwelling unit at 1035 Berwick Court was passed, not without much discussion. Three speakers opposed the resolution and wanted to put a face to the neighborhood. Councilor H. Hanson agreed and stated the need to respect neighborhoods. The resolution passed 8-1, due to the fact that it met legal requirements. Councilor Sipress expressed concern that screening privacy needs to be implemented from here on.

Submitted by Jackie Johnson

**Parks and Recreation Commission:**
The Parks and Recreation Commission approved the Mini-Master Plan for the entire Duluth Traverse by a vote of 5 to 1. The plan runs 84 pages (http://wwwduluthmn.gov/st.louis-river-corridor/duluth-traverse). Members of the Commission and attending citizens expressed general support, but many were concerned that sections of the DWP Corridor (lies on the former bed of the Duluth, Winnipeg, and Pacific Railroad) were to be used for this purpose. The presenters noted that the Traverse was a multi-use trail and believe those sections using the DWP could be found and would safely support mountain biking as well as equestrian and other non-wheeled traffic. Concerns were also expressed over the passage of the Traverse through the Magney-Snively Natural Area. Several citizens urged the city to slow down and set aside more time for the public to further weigh in on the decisions. The citizens were assured that concerns could be addressed during the design phase. Funding issues, ADA compliance, and the apparent prioritization of mountain bike trails within the city budget were also noted by citizens, but the Commission voted to approve the plan, noting that the Commission still had a responsibility to stay abreast and involved in the project. The Commission then passed a
Observers’ Report  (Continued from page 7)

Parks and Recreation Commission (continued)

motion, which will allow the city to move forward with an application to the Greater Minnesota Regional Parks and Trails Commission for recognition of the Traverse's regional significance.

Submitted by Tom Burns

Human Rights Commission:

A draft for the Homeless Bill of Rights has been prepared. A meeting has been set with the Homeless Coalition (Mayor Larson, Representatives from the Police and Fire Dept., and Parks and Recreation) to discuss important points. Following that, it will be ready to bring to the City Council. Commissioner Mendoza discussed the current immigration policy. At this time, federal authorities must be informed if a person is arrested and it is determined they are an illegal immigrant. Councilor Sipress and the Chief of Police are reviewing the policy and will make language changes as it is necessary. A process is being set up, whereby all commissioners will see human rights complaints as they are presented. At this time, Human Rights Officer Carl Crawford is working to set up a process. It was noted that Officer Crawford has an overwhelming job without resources. One public comment addressed the issue of lack of diversity on the commission. A black woman would offer a different perspective. A person interested in serving on the Commission must first speak to Mayor Larson.

Submitted by Mary Jane Peterson

St. Louis County Board:

A resolution from the Public Works & Transportation Committee was approved, authorizing the award of a bid for a combined bituminous relation and surfacing project in Kabetogama Township and 3 unorganized townships, in the amount of $4,873,000 to KGM Contractors of Angora. This was 7% under estimate. Regular agenda items approved were; a Family Homeless Prevention and Assistance Program Grant Application, up to $900,000 for 2018-19, and a request from the County Attorney to have a closed session of the Committee of the Whole for litigation purposes. Public Health Achievement Awards were presented to Vern Wagner for his work on opioid abuse, and the Duluth YMCA and Mesabi YMCA with Essentia Health Duluth and Virginia, for their cooperative efforts on a diabetes prevention program. A $30,000 settlement agreement with Thomas L. Gentilini and a $40,000 settlement agreement with Haney J. Johnson were issued from the Central Management & Intergovernmental Committee. "Support for Legislation to Increase Medical Assistance Reimbursement for Public Health Nurse Family Home Visits"is a resolution from the Public Health & Safety Services Committee. This is related to the department goal for children to be born healthy, live a life free from abuse and neglect and have a permanent arrangement. SLC Sheriff Ross Litman presented "Life Saver Awards" to 7 groups. Three groups received the award for their response to individuals who were suffering from opioid/heroin overdose; and included in their intervention was administration of the drug "narcan."One group received the award for their response to a near drowning incident, two groups for their response to individuals who needed defibrillation, and one group for their response to a neighborhood shooting. *No lives were lost!* Issuance of an Off-Sale Intoxication Liquor License to Cheryl Seely d/b/a Sportsmen's Inn, Gnesen Township. Solicitation of public input prior to considering the proposed tax abatement for the City of Duluth to construct the Capstone Apartment project. (Note: These apartments are "Phase 2" of the Matterhorn Village (located in the Miller Hill area) and will be constructed adjacent to them. 80% will be affordable housing for the workforce. This is a $15,000,000 project. Scott Vesterstein is the developer.

League of Women Voters Minnesota

“Train the Trainer” Workshop
Friday, May 5th, 4:30 – 6:30pm
The Building for Women, 32 E. 1st Street

This workshop is open to those who have previously attended a Moderator Training Workshop and moderated forums, or who are planning to attend the workshop on May 7th.

Welcome and Introductions
Terry Kalil, LWVMN President & Laura Helmer, LWVMN Voter Services/Citizen Education Chair

Goals of Workshop:
- Foster a consistent, professional, statewide approach to moderating that adheres to our non-partisan policy and yet creates an environment for candid civil discussion of election issues that matter to voters.
- Develop understanding of LWVMN policies and Best Practices.
- Create understanding of workshop materials and agenda flow.
- Prepare League Leaders to train members on how to be a Moderator.

Obligations and Responsibilities of a Trainer:
- Demonstrate leadership
- Hold workshops for Leagues in your area, not just your own
- Participate in periodic Trainer conference calls/ workshops
- Contribute to future development of moderator training workshops and new workshop materials

Note: Laura Helmer and Terry Kalil invite you to join them for an informal dinner following the workshop.

LWV Duluth Moderator Training Workshop
Saturday, May 6th, 8:30am – 12:30pm
The Building for Women, 32 E. 1st Street

This training is for LWV members who want to be certified as Candidate Forum Moderators.

Welcome and Introductions
