Come and celebrate the 92nd anniversary of women's suffrage and the importance of every citizen's right to vote. An entertaining presentation is planned to compare and contrast Minnesota's current election system and voter safeguards to Voter ID legislation currently proposed by the Minnesota legislature. A traditional "tea" served with savory sandwiches and sweets will harken back to the founding years of the suffrage movement.

You won't want to miss this!

Event proceeds support League activities in the Duluth area including voter forums, voter registration and education.
