EqualiTEA Event Focuses on Voter Rights

Duluth, MN - Tradition meets lively discussion at the 4th Annual EqualiTEA on Saturday, April 14, 11:30 am – 1 pm, at the Woman's Club, 2400 E. Superior St. The event recognizes the 92nd anniversary of women's suffrage and underscores the importance of every citizen's right to vote. An entertaining presentation is planned giving event goers the chance to compare and contrast Minnesota's current election system and voter safeguards to Voter ID legislation currently proposed by the Minnesota legislature. A traditional "tea" served with savory sandwiches and sweets will hearken back to the founding years of the suffrage movement. Event tickets are \$20; \$25 after April 2. Reservations are required; call Sally Munger at 728-0711 or email sallymunger@mungerinn.com. A second seating is planned at 2:30 - 4 pm the same day. Event proceeds support League activities in the Duluth area including voter forums, voter registration and education. For more information visit www.lwvduluth.org.
