When: Thursday, September 3, 7 p.m.
Virtual: Register Here

Please join us for a webinar to learn about the Permanent School Fund Constitutional Amendment Ballot Measure that will be on Minnesotans ballot during the November 3 General Election. It is important that LWVMN members are equipped with basic knowledge about the ballot measure and to point voters to appropriate state and local school district sources of information regarding it during our fall voter service work.

Denise Dittrick and Kimberly Dunn Lewis from the MN School Boards Association will present nonpartisan information regarding the ballot measure, which passed the Minnesota State legislature this past session with strong bipartisan support.

This webinar will be recorded and later posted on YouTube for public viewing.
